Office Memorandum • UNITED STATES GOVERNMENT

TO : MEMORANDUM FOR THE RECORD

DATE: 22 June 1953

FROM : [] 25X1A

OGC HAS REVIEWED.

SUBJECT: Annual Leave, [] Staff Agents 25X1A

REFERENCE: Memorandum from Executive Officer, IO Division, dated 19 May 1953,
same subject

When the referenced memorandum was received by this office, we advised the addressor that the questions raised therein regarding the application of the Thomas Leave Rider to [] staff agents would, in all likelihood, become moot in view of the impending repeal of this legislation. I have apprised IO Division [] (x8095) of the progress of the Thomas Rider repeal through conference committee and have now informally advised that the committee has accepted a version of the bill for repeal of the Rider, which would appear to negate any present need for formal reply to the reference.
